- II. **ENGAGE** — Why does a Christian need the church? What is the danger of NOT meeting with other believers? What are the benefits of meeting with other believers? What do other believers do which most motivate you to “love and good deeds”?

- III. **EXALT** — Ask yourself, “Where am I going in my spiritual life? Am I drawing nearer to God or drifting away from Him? Am I standing firm in my confession of faith? Am I gathering with God’s people and stimulating them to love and good deeds?”
