Notes:
1. Seeking Water (4.1–18)

2. Seeking Worshippers (4.19–26)

3. **EXALT**ing God in Spirit and Truth

Here is your "One Thing" for this week: Jesus emphasizes "spirit and truth" for worship. How do you assess the health of your spiritual life? How do you need to grow in your relationship with the Lord? What is God asking you to do from this passage?

Study Questions for the Week:

I. **EQUIP** — Compare and contrast Jesus' conversations in John 3 and John 4. What do Nicodemus and The Samaritan Woman have in common? How are they different? What similarities are there in what Jesus says to each one? Take note of the interplay between "spirit" terminology and "truth" terminology.

II. **ENGAGE** — What are some of the cultural boundaries that Jesus crosses in order to **ENGAGE** with The Samaritan Woman? What can you learn from how Jesus **ENGAGE**s in conversation with The Samaritan Woman?

III. **EXALT** — "The Father seeks worshippers who worship Him in spirit and truth!" What does this statement say about your relationship with God? How do doxology and theology work together?
