Here is your "One Thing" for this week: How do you proactively "abide" in Jesus? Do you see a corresponding level of "fruitfulness" in your life? What practical things can you start doing to "abide" in Jesus?

	Jesus?
I.	EQUIP — What does it mean to "abide" in Jesus? Why is abiding in Jesus a prerequisite for fruit-bearing? What are the results of abiding in Christ?
II.	ENGAGE — In what ways does our "abiding" in Jesus have an impact on other people? on unbelievers?

III. EXALT — Why is it important to understand that God the Father prunes us? Describe a season of life when God pruned you: What happened? What did you learn? What was the result?
