Here is your "One Thing" for this week: Slowly read and study John 17 for a third time... What else do you understand from the Text? How does it apply to your life?

l.	EQUIP — As we went through John 17 for the second week in a row, is there
	anything new that you learned from the Text?any new theological terms?
	What? Why did it stand out to you?

II. ENGAGE — Pick one of the theological terms discussed in the sermon. How does that term practically apply to your life?

III. EXALT — When you reflect on these theological terms and consider all that God does for you, how are you drawn closer to Him in worship?
