

The Main Thing
1 Corinthians 15.3–9

Notes:

1. The Gospel of the Resurrection **THEN**

2. The Gospel of the Resurrection **NOW**

Here is your "One Thing" for this week: Paul encourages his readers to "hold fast the word" (vs. 2) that was preached to them. How do we do that today? How can you support other Christians to hold fast to the Gospel?

l.	EQUIP — Paul twice uses the phrase "according to the Scriptures" (vs. 3, 4).
	What Old Testament passages do you know which clearly speak of the
	Messiah that Paul could have in mind?

II. ENGAGE — What are some objections that people have to Christianity? If the issue of "first importance" is the Gospel, how should this realization guide our conversations with nonbelievers?

III. EXALT — As you think about your relationship with Jesus, have you focused more on the cross or the resurrection? Why do you think that is? What is your current understanding of how the two concepts are tied together?
