

The Creator Who Understands Our Present Predicament!

10.29.23

Philippians 4:4-9

Guest Speaker: Robert C. Duckworth, PhD, LPC-S, NCC

Notes

- Author: Apostle Paul, written from a Roman prison.
- God is mentioned 24 times in this short letter; centrality and preeminence of Christ is a dominant theme in the letter (i.e., 2:5-11) (Baker, 1996).
- Paul has stressed (in 3:20) that their citizenship was in heaven vs. Rome, which would explain why he wanted them to remain focused on the things of Christ. (vv. 8-9).
- Leaving parting instructions as he shares closing salutations to the Church at Philippi.
- A great deal of false teaching and Satanic opposition occurred around Philippi and other churches (Acts 16:12-21; Phil. 3:1-4:1).
- We face such false, inefficient teaching & opposition even today!

vv.4-7

Anxious (unduly concerned)

Response: P_____

Outcome: (Experience) Peace (v.7)
