

Praise and Prayer

If you or someone at Grace needs help or has a care need, please call the church office at 214.368.0779 or email Bob Riedle at bob@gracebiblechurch.org.

Praise

Julie Ball had a neck fusion surgery on January 15. Her doctor has declared her healed and released her from his care. Praise the Lord!

Please Pray

Raleigh Holt's son, Jackson, went home to be with the Lord on March 19. Please pray for the Lord's comfort and peace for Raleigh and the family as they grieve his loss.

Betty Russell, Jan Revel's mom, has dementia and is temporarily in a skilled nursing facility after several falls. Please pray that the neuropsychiatric evaluation necessary to determine the most appropriate and safest long-term living arrangements can be performed before the end of March (when Medicare coverage for the current medical stay ends). And pray for the Lord's wisdom and encouragement for Jan.

Cherry Werner has breast cancer recurrence that is metastatic and is undergoing treatment with 3 medications. Please pray for healing and for the Lord's peace for Cherry and her family.

Janice Miller was in a major car accident on February 21, sustaining fractures of bilateral ribs, sternum (breastbone), L3 spine level, and pelvis. Praise the Lord that she has been discharged home. Please continue to pray for pain control, healing and successful brace treatment (with no need for surgery), progress in therapy, improved appetite, and strength and stamina. Also please continue to pray for the Lord's peace and comfort for her and husband, Randy.

Elle Pittman, daughter of John and Mindy Pittman, will undergo a bilateral TMJ total joint replacement surgery on April 23. Please pray for excellent good pain control, no complications, and excellent results and return of function. And please pray for the Lord's peace as Elle and the family wait for the surgery day.

Deb Claybrook-Moody's mom, Margaret Claybrook, hospitalized and then in rehab after falling at home on February 2, is now living with Deb's sister. Praise the Lord for her improvement so far. Please continue to pray for her recovery and the Lord's peace for her and the family. Also pray for the sale of Margaret's house.

Annette Leslie, having recovered from two breast cancer surgeries, began an 18-week chemotherapy regimen on February 9. Praise the Lord for minimal side effects so far. Please continue to pray for mild side effects of the chemo, cancer cure, and the Lord's encouragement and perseverance for her and husband Craig.

Albert Laredo had a heart bypass surgery on January 22 and is home. Please continue to pray for healing, strength and stamina, progress in physical therapy (at home, began March 13), full recovery and function, and the end of the need to receive nourishment via an intravenous catheter. And pray for the Lord's peace and encouragement for him, wife Debbie, and the family.

Sara Riedle, who recovering from her second back surgery on January 18 and has severe arthritis in both hips. She has begun physical therapy for the back and will undergo total hip replacement surgeries, right side on April 30, the left side on Sep 3. Please continue to pray for healing, no complications, nerve and muscle recovery following the back surgery, pain relief, improved stamina, and the Lord's peace and encouragement.

Laura Hudson had breast cancer surgery on December 27 and required additional treatment to resolve some fluid collection. The 5-1/2 weeks of radiation treatments should start soon. Please continue to pray for complete healing, minimal side effects from the postoperative radiation treatments once it can begin, and the Lord's peace her and husband Rusty.

Slick Wilson, who has been in a residential hospice facility with serious complications related to his diabetes, has been moved to a group home in Keller. Please pray for progress in rehab as physical therapy starts soon, and continue to pray for good pain control, and that he continues to experience the Lord's peace until He takes Slick home.

March 21, 2024

Mike Johnson, Larry Moody's dear longtime friend, underwent an amputation of his right leg and has his new prosthesis. Please pray for progress in rehab and the transition from wheelchair to walking, no healing problems, and patience and encouragement during the long recovery.

Mike Cooper after finishing chemotherapy for lymphoma cancer is now free of cancer. Please continue to pray for symptom relief and healing from the chronic issues related to shingles and the associated neuropathy.

Jerry Brown's cancer treatment has been changed due to side effects, and the new treatment is working well—praise the Lord! And because of treatments years ago, a number of teeth have deteriorated and required a series of dental procedures which are in process. Please continue to pray for pain control, healing, and good response of the cancer to treatment. And pray for the completion and good healing of the dental work, improvement in vertigo and balance difficulties, and the Lord's comfort and encouragement for him and wife Jolynne.

Bill Raabe, father of Andrea Johnson, had a hip fracture last summer and has spinal stenosis in his low back. Praise the Lord for healing of the skin cancer. Please continue to pray for healing of the skin ulcer, improved strength and stamina, and for the Lord's peace for him and the family.

John Stephenson has been receiving some new treatment for his recurrent and metastatic prostate cancer. He is working on improving strength and stamina. Please continue to pray for good pain control, response of the cancer to treatment, improved functional abilities, and the Lord's peace and encouragement.
