## 2) Today's Application

### 3) Weekday Application Questions

**EQUIP**— In King Nebuchadnezzar's dream, what was each layer of the statue made of, and what kingdom does each layer represent? What happened to the statue when the stone struck it? Who is the stone? When will that event take place? How do Daniel 7 and Revelation 17:12-14 parallel with Daniel 2?

**ENGAGE** — When it appears that the world is spiraling out of control, how could you use Daniel 2 as an encouragement to people who might struggle to trust the LORD?

**EXALT**—How is God portrayed in Daniel 2 regarding His sovereign control over those who seem to be "in control" of the world? How does understanding God's plan for the future impact our faith and life choices in the present?

**Here is your "One Thing" for this week:** In times of uncertainty regarding world events, remember: God is in control of who is in control! Seek the Stone (Matthew 6:10)!
