Weekday Application Questions

EQUIP—What is the main theme of the Book of Daniel? Why were the people of Judah in exile in Babylon? In chapter 2, what “contest” is highlighted between the Wise Men of Babylon and the Wise Men of YHWH? How is God’s wisdom and power proven to be superior to those of the wise men of Babylon?

ENGAGE — Why is it important for believers today to trust in God’s wisdom and power as we engage with unbelievers?

EXALT— Although Daniel is not the hero of the story (God is the hero), in what ways could believers imitate the character of Daniel in their daily lives?

Here is your “One Thing” for this week: Do you believe that God is the Source and Supply of wisdom and power in your life? Do you believe that God wisely governs all the affairs of our existence? How does this truth give you the confidence to live faithfully unto Him as we live in a pagan world?
