## Weekday Application Questions

**EQUIP**— What recurring theme is evident in verses 2, 9, and 17 of Daniel 1? How does this theme reflect God’s victory over pagan gods and His sovereignty above all nations and peoples? What theological lesson can we learn from this demonstration?

**ENGAGE** — In what areas of your life do you see the influence of the pagan culture around you? How can we be faithful to God while living in a culture antithetical to our faith and not be swayed by the culture? What steps can we take to cultivate a God-centered devotion, especially in a world that promotes values contrary to those of the Bible

**EXALT**— How does the contrast between the compromised people of Judah and the uncompromising attitude of Daniel reveal a spiritual lesson about faithfulness and obedience to God?

### Here is your “One Thing” for this week:

First: How can we apply the concept of God’s sovereignty over world events and leaders in our own lives, especially during times of decision-making and uncertainty?

Second: Reflecting on the theme of being uncompromising like Daniel and his friends, how can you ensure that you remain faithful to God even in challenging or tempting circumstances?
