2) The Theological Application

Weekday Application Questions

EQUIP — What is your emotion regarding the study of prophecy and the End Times? Are you excited, overwhelmed, intimidated, etc.? Have you ever been overwhelmed by Scripture, as Daniel was in this text? What were you reading, and why was it so powerful?

ENGAGE — This prophecy is remarkably specific, which is why many liberal scholars argue that The Book of Daniel was not written in the 6th Century BC. How does God's omniscience and omnipotence counteract their argument? What does this passage indicate about the authority and inerrancy of Scripture?

EXALT — An emphasis of this chapter is that God knows the future (even the distant future). What effects should this truth have on your daily life?

Here is your "One Thing" for this week: In the latter half of Daniel 8, we read about how Antiochus Epiphanes outlawed Israel's religious practices in 167 BC. If that happened to Christians today, how would you remain UNCOMPROMISINGLY faithful and obedient to Jesus in the face of persecution?
