Weekday Application Questions

EQUIP — Make a chart with two columns (“Attributes of God” and “Attributes of Humanity”) and fill in the chart using Daniel’s prayer from chapter 9. What attributes of God are emphasized? What attributes of humanity are emphasized?

ENGAGE — Daniel 9 teaches us the importance of interceding for others, especially in times of collective crisis or sin. Who are five people (or groups of people) for whom you should pray?

EXALT — How is God’s discipline of His people consistent with His character? How are God’s mercy and forgiveness consistent with His character?

Here is your “One Thing” for this week: Prayer reveals much about who we truly are. What does your prayer life reveal about you? Are there any burdens you need to take to God? What do you need to confess to Him? What are some practical ways you can incorporate the Scriptures into your prayer life?
