Notes

I. The Inspiration and Inerrancy of Scripture

"The Bible is inspired by God and is inerrant in its original writings. We have a reliable copy and use it as the final authority in faith and life."
-GBC Statement of Faith

"The most serious and intense struggle in which the Christian Church has ever engaged is the war over the Word of God. If this war could be lost, our faith and hope in God would be destroyed and every witness for Christ would likewise be destroyed." -Lehman Strauss

II. Four Faith Affirming Findings

A. Sennacherib's Prism (2 Kings 18:7, 13-16; 19:32-35)

B. Nabonidus' Cylinder and Chronicle (Dan. 5:1, 7, 16, 29)

C. The Caiaphas Ossuary (Matt. 26:65; John 11:48; 18:13-28; Acts 4:6)

D. The Crucifixion Bone (John 19:31-33; 20:24-27; Luke 24:39)

III. Application

"It may be stated categorically that no archaeological discovery has ever controverted a Biblical reference. Scores of archaeological findings have been made which confirm in clear outline or exact detail historical statements in the Bible. And, by the same token, proper evaluation of Biblical descriptions has often led to amazing discoveries."

Questions for Reflection:

1. Why is the doctrine of the inspiration and inerrancy of Scripture important?
2. What are the ramifications of denying these historic and essential doctrines?
3. What is the benefit of biblical archaeology for the Christian?
4. How would you utilize what you have learned about these Faith Affirming Findings with an unbeliever who may question the historicity and reliability of Scripture?
