Your three things for this week (one wasn't enough...):

1. Read a book or listen to a podcast that has nothing explicitly to do with Christianity. Learn for the sake of learning - you'll be pleasantly surprised at the connections knowledge might open for you.
2. Engage in a real, honest conversation with a friend who does not share your belief. And don't assume anything. Again...you might be surprised at what you find.
3. Ask yourself where God has shown you patience and grace for your own ignorance. And ask him for clarity on areas where you need to grow in humility.
