2) The Theological Application

Weekday Application Questions

EQUIP — Identify the major kingdoms and kings described in this chapter (see the extra handout for help). What is the fate of each of them? Why does God sometimes allow evil kingdoms and kings to prosper? How does this help us maintain a biblical perspective when it happens in our own day?

ENGAGE — Why do some liberal scholars believe this passage was recorded in the second century BC? What presuppositions lead them to that conclusion?

EXALT — What does this passage tell us about God's sovereignty and foreknowledge over the kings and kingdoms of the world?

Here is your "One Thing" for this week: How can we trust in God's sovereignty when the world around us seems chaotic and unpredictable? What steps can we take to seek wisdom and discernment from God so that we can understand our times and navigate our lives according to His will?
