## 7) Weekday Application Questions

a) EQUIP — According to the sermon, how does Revelation 6 fit into the larger timeline of the Tribulation period? Why is it important to interpret the seal judgments as future events rather than past or symbolic?

b) ENGAGE — Compare and contrast the human speech in Seal #5 with the human speech in Seal #6. How do each of these groups view God's wrath? How does the judgment described in this chapter compare to the false sense of peace many people live in today? How do the cries of the lost in the sixth seal ("hide us from the wrath of the Lamb") show the foolishness of waiting to believe in Jesus?

c) EXALT — How can we take comfort in knowing that God's judgment is righteous and just? How can the knowledge of coming judgment increase your gratitude for salvation?

d) Here is your "One Thing" for this week: Since believers will not experience this wrath, how should that shape our worship and devotion to God? How can we balance the urgency of warning unbelievers about future judgment with the hope and joy we have as believers?
