#### 4) Weekday Application Questions

a) EQUIP — How does fear show up in this passage (both among the guards and the women), and how does the message, “Do not be afraid” comfort our fears? Because Jesus rose from the dead, you have no need to be afraid. Not of sin. Not of death. Not of the future.

b) ENGAGE — “Go and tell” is still the command. Who needs to hear that the tomb is empty and that death no longer has the final word?

c) EXALT — What does Jesus calling the disciples “My brothers” teach us about grace, restoration, and Christian identity?

d) Here is your “One Thing” for this week — Practically how does the Resurrection of Jesus comfort your fears, increase your joy, and send you with truth? How does the Resurrection of Jesus change everything?
