4) Weekday Application Questions

a) **EQUIP** — How do God's justice and love work together without contradiction? Read Romans 3:25–26 and reflect on how the cross satisfies both God's wrath and His mercy. Why is it right to worship a God who judges?

b) **ENGAGE** — Many people today say, "God is love, so He won't punish anyone." How would you explain why judgment is actually part of God's love — that a world without justice would be a world without hope? Pray for one specific person this week with whom you could start a conversation about God's justice.

c) **EXALT** — How can you grow in cultivating reverence and humility in worship? What songs, Scriptures, or habits help lift your heart toward the holiness of God?

d) **Here is your "One Thing" for this week:** Reflect on God's holiness and justice — not just as theoretical attributes, but as part of **why** He is worthy of praise. Sing a worship song (Pastor Jace suggests "His Mercy is More").
