

# OVERVIEW: FACILITIES MASTERPLAN

## PLANNING GOALS:

**Create a space that...**

- Feels warm and welcoming - a place people want to stay
- Is sacred - a reflection on the beauty of God and the relationship we are able to have with Him because of Jesus Christ
- Can be multipurpose and serve multiple ministries in our growing congregation
- Expresses the existing culture and principles of Grace Bible Church and is for all generations
- Addresses long-standing space organization and maintenance issues identified by our congregation
- Can be completed through a phased approach

*PLEASE NOTE: These images illustrate the proposed masterplan for Grace Bible Church. Designs are conceptual and may change as each phase develops. For example, the footprint of Phase I—the new Adult Bible Education Wing—has been updated from these earlier concepts and you will see the difference reflected in the current floorplan and images.*
