## 4) Weekday Application Questions

**a) EQUIP** — From Genesis to Revelation, where do you see God intentionally passing His truth from one generation to the next (for example: Deuteronomy 6; Psalm 78; Ezra–Nehemiah; the Gospels; Acts; the Pastoral Epistles)? What happens when a generation fails to entrust the truth to the next? Why does God care so deeply about faithful transmission?

**b) ENGAGE** — Think about someone in your life right now who is curious about the Bible but lacks understanding. How might God be calling you to intentionally invest in them—through conversation, invitation, study, or modeling a life shaped by Scripture?

**c) EXALT** — What does it reveal about God’s character that He chooses to advance His truth through ordinary, faithful people across generations? How does knowing that God has preserved His Word—and His church—long before us and long after us shape your trust and worship today?

**d) Here is your “One Thing” for this week:** First, please pray daily that God would build future generations at Grace Bible Church on His truth. Second, please sign up for and attend one Vision Gathering, asking the Lord how He wants you to be part of entrusting the truth to the next generation.
