#### 4) Weekday Application Questions

a) EQUIP — Where in your life are you staring at “horses and chariots”—something that feels bigger, stronger, and more powerful than you—and how is that fear shaping your response instead of your trust in the LORD?

b) ENGAGE — Who around you is facing something overwhelming right now... and how can you point them this week to the God who is greater than what they fear?

c) EXALT— How has God already shown Himself faithful in situations that once felt overwhelming to you—and how can you worship Him this week for being stronger than every enemy, obstacle, and fear?

d) Here is your “One Thing” for this week: Don’t fear what looks powerful—trust the God who has all power.
