4) Weekday Application Questions

a) **EQUIP** — What specific commands, truths, or priorities from God’s Word are you most tempted to neglect or “turn aside” from right now?

b) **ENGAGE** — What influences in your life are most shaping your thinking, desires, and affections? Are they pulling you toward Christ or away from Him?

c) **EXALT**— How has the LORD faithfully delivered, directed, and disciplined you throughout your life? Spend time thanking Him specifically.

d) **Here is your “One Thing” for this week:** Cling wholeheartedly to the LORD, because drifting from Him will lead you down a dangerous road.
