2. Christ is our Savior--Colossians 1:19-20

Weekday Application Questions:

a) EQUIP: Re-read Colossians 1:15-20. What other elements of the passage stick out to you that lead to a deeper understanding of the supremacy of Christ?

b) ENGAGE: Paul tells us that in Christ, all things hold together. That is certainly great news, because it can sure seem like things are falling apart sometimes. Take a moment this week to encourage someone in your life who needs to hear and be reassured by this truth.

c) EXALT: How does the supremacy of Christ lead us to love him more deeply, follow him more closely, and worship him more truthfully?

d) YOUR "ONE THING": Take some time this week to sit down and reflect on specific ways that you have seen how Christ has held everything together for you in the past week, month, and year, and praise him for it.
